## Council Winners In Mondays Minden Election

ROY E. WINDOVER

ROBERT GORRIE

REG BOOTH

The ratepayers of Anson, Hindon and Minden went to the polls on Monday and voted in Roy Windover, Bob Gorrie and Reg Booth to sit on council for the 1965-1966 term. Roy Windover and Bob Gorrie are new members on council replacing Bob Harvey Jr. and J. O. Jackson. Reg Booth was on last year's council.

## Car Crashes Into Tree, Youth Dead

LINDSAY (ENS) — Lloyd Dettman, 20, of Kinmount was killed instantly early Monday when his car went out of control on Highway 121 near Burnt River and snapped off a foot-thick cedar tree.

Const. Dale Coe of Fenelon Falls Provincial Police detachment said Dettman was traveling south on the highway, rounded a curve and then lost control. The car went into the west ditch hitting the tree.

He was alone at the time. The road was centre bare, police say.

The dead man was the son of Mr. and Mrs. Gerald Dettman of Kinmount. He was employed at Visking Ltd., Lindsay.

Surviving are sisters Wilma of Lindsay, Joyce at home, and brother Dwight at home.

## Contest Winners

The following is a list of the winners of the

**Skyline Park Color Photo Contest:**  
1st, \$50.00 - Norma McAlpine, 103 Pontiac Ave., Oshawa, Ont.; 2nd, \$25.00 - Ed Strome, Box 378, Frankford, Ont.; 3rd, \$10.00 - Ed Strome.

**Tour Color Photo Contest:**  
1st, \$25.00 - Edna Campbell, 56 Kinswood Road, Toronto 13; 2nd, \$10.00 - David Rule, 2249 Joyce St., Burlington; 3rd, \$5.00 - Edna Campbell.

This contest was sponsored by the Haliburton Rotary Club and the contest had 70 entries.

## Eyesore Removed

An "eyesore" on the outskirts of Cobocok was removed last Saturday. The area housed an auto wreckers yard and buildings. Cecil Nesbitt, property owner, had been told by council to clean up the site. When the department of highways stepped into the picture, the situation took on a new look.

The department was anxious

to acquire the property so that road-widening could take place on the section of Highway 35 near the Nesbitt residence. Mr. Nesbitt found alternative accommodation near Eden School.

The Cobocok fire department started a gigantic fire Saturday which destroyed the buildings and garbage which littered the site.

## Minden Tree Decorates Queen's Park

A 50 foot spruce Christmas tree was purchased by the Ontario Government from Gordon Kellett, Minden. A tractor trailer moved the tree to Queen's Park where it will be decorated to celebrate the Christmas season. This king size tree weighed four tons and it is estimated to be 75 years old.

## Large Crowd At Hockey Meeting

The Haliburton County Minor Hockey League held a meeting on Tuesday, December 1, at the Community Hall. The county was well represented with over 20 men present.

The slate of officers for the 1964-65 season is as follows:

President - Lance Easton; Vice-President - Stan Parish; Secretary-Treas. - Len Salvatori; Area Representatives - Haliburton, Cecil Winters, Wilberforce, Geo. Constable, West Guilford, Bert Cowan, Minden, Bill Payne.

Three important motions were passed: 1. That it be compulsory for all players in the Haliburton County Minor Hockey League to wear helmets and skate guards; and that the goal tenders wear a mask or helmet; 2. To be eligible to play in the Glen Dart Trophy playoffs, a player must produce a birth certificate; 3. The visiting team must bring a referee to be in charge of the game and the home team must also supply an assistant referee.

A referee in charge must be 18 years of age, and have some experience of referee.

The age limit rule has been changed from August 31 to May 31. Example - The Midget age group is 14 to 16 years of age. Now, if a player turns 16 AFTER May 31, he could play another year with the Midget team.

## Agricultural Group Vote William Scott President

William Scott, Secretary-Treasurer of Kinmount fair, was elected last Wednesday as director of District 4, Ontario Association of Agricultural Societies.

Mr. Scott served as Secretary-Treasurer of the association for eight years. He succeeds R. R. Stewart of Peterborough, who held the post for the past three years.

Walter Beath, Secretary-Manager of the Oshawa fair, was named associate director. William Weldon of Oakwood is secretary-treasurer.

Mrs. Harold Doble of Peterborough, was re-elected director of the women's section. Mrs. Fern Reynolds is associate director.

It was announced that Mr. Stewart was named a director on the provincial association, the first time the district has had such representation in 54 years.

Mrs. Jack Leslie of Peterborough, was named to the women's section, the first time in 20 years.

## Cars Collide

LINDSAY (ENS) — Murray Austin and Wendell Wood of Haliburton were drivers of cars which collided on the village main street last Saturday causing damage to their vehicles estimated at \$550. Haliburton Provincial Police investigated.

## New Retail Store For Haliburton

A new retail store which will be known as Highland Appliances has opened for business in the Irwin Block across from Boice Motors on the main street in Haliburton.

This new business will deal exclusively with Leonard and DuMont appliances.

Highland Appliances is a subsidiary of D. R. Walling Co. Wholesale and Walco Appliances in Lindsay.

The manager of the new store is John Finn, who at present is commuting daily from Lindsay.

## H. S. Teachers Fete Honour Students

On Friday, November 20, at 6:30 in the Haliburton Highlands Secondary School the teaching staff again honoured those students who attained seventy-five per cent or more average in last June's final examinations.

The evening began with honour students, school board members and teachers enjoying a delicious turkey dinner served by Mr. Mark Schell in the school's cafeteria. Following the dinner, Mr. James Lawson, assisted by Mrs. C. M. Andison, presented honour pins to those students who had not been honour students before and bars indicating the grade in which a student was enrolled last year were presented to these students to be attached to the pin that they had been given on an earlier occasion. Mr. Lawson told the honour students that he hoped that they would continue with their pursuit of excellence and that these years in high school would be merely fore-

runners of later years when they would assume places of leadership in our community. He warmly commended the students for their achievements.

Mr. Bernard Trepanier, Vice-Chairman of the Haliburton County District High School Board, expressed the appreciation of the members of the Board for the invitation from the teachers to attend the honour student banquet and he stated that, although Board members spend long hours in their duties of managing school affairs, on such occasions as these, it was forcibly brought to them that their efforts are not in vain. Mr. Peter Valentine, of the teaching staff, introduced the speaker of the evening, Dr. D. L. C. Miller, Director of Extension, Scarborough College, University of Toronto. Dr. Miller said: "You are entering manhood and womanhood. The next few years are among the most (Continued on Back Page)

# News Notes From The County

The officials of the Haliburton Curling Club informed the Echo to-day that there is still openings for curlers in the second schedule which will start around December 20th.

The Mixed Tartan Bonspiel which was scheduled for the Haliburton Curling rink for last Saturday was postponed due to the fact that only a few rinks were entered.

The Haliburton Rotary Club have been invited to take part in the Fenelon Falls Rotary Club Bonspiel to be held at Fenelon Falls on Wednesday, January 13th.

We understand that work has started on the expansion program at Camp Northland.

Dysart was the only municipality in the County of Haliburton which didn't have an election this year.

The Haliburton Rotary Club will soon be naming their new

park which was formerly known as the Bannon property.

The Minden Rotary Club wish to announce that they are selling Christmas trees again this year and they are on sale for \$2.00 at Austin's Service Station in Minden. These trees are grown on the plantation operated by the Minden Rotary Club. Total revenue from the sale of trees will be used for Community Service work.

The strike at the General Motors plant at Oshawa has effected all the men from Haliburton County who are employed there.

A Rummage Sale will be held at the Salvation Army Hall at Haliburton this Friday, December 11th at 1 p.m.

If your Christmas tree lights are not new, the old cords should be carefully checked to ensure that the wires are not broken or exposed, the sockets damaged or plugs bent. Your electrical store will inspect the lights and make repairs if necessary — it's safer than having a

flareup from faulty lights.

The Haliburton Juvenile hockey team will be playing their home games at the Bobcaygeon and Minden arenas until such time as the arena is ready in Haliburton.

COBOCONK (ENS) — A. E. Cameron, reeve of Bexley Township since 1962, was returned to the position Friday by acclamation.

The four council seats were also filled by acclamation. Elected were George Sheppard, Natham Peirce, Lesley Caitser and William Baldwin, all councillors last term.

In addition to Norman Harris and Mrs. S. Brentnell, the school trustees board was filled by Harold Alton, Ross Faulkner and William Chirpough.

The pheasant season at Presqu'ile Provincial Park closed 11 days early this year because of the large number of hunters using the area.

Classified harness racing is costing the smaller agricultural fairs too much money, delegates to the annual meeting, District 4, Ontario Association of Agricultural Societies, were told. William Scott, Kinmount, Secretary-Treasurer of the Kinmount Fair, said smaller fairs should try to attract independent trotters who are not attached to the Canadian Harness Racing Association. "At present, the race horse business is expensive, and I think we will have to turn to the trotters," he said.

BANCROFT (ENS) — The small group of ratepayers at the annual nomination meeting of the village council Monday last demonstrated a strong lack of interest in municipal affairs.

Reeve M. J. McAlpine, Deputy Reeve Audrey Sexsmith, councillors Gordon Groves, John Hattin and Earl Hawley were returned by acclamation. George Whitfield was re-elected by acclamation to the public school board. The only change was the

election by acclamation of Russell Hawley to the public utilities commission.

Mr. McAlpine said he was saddened by the small number of people at the meeting, the smallest for several years. He outlined the achievements of the council for the past year noting the appointment of a centennial committee directed by Coun. Groves.

The need for planning was stressed recently by Reeve R. I. Moore at the Lindsay nomination meeting. The reeve, who announced he was not intending to seek re-election, said the five-year program for replacement of sidewalks and reconstruction of streets adopted by councillor earlier this year, was long overdue.

Grenville Coppins, 20 Hamilton St., Lindsay, was fined \$100 and costs in Magistrate's Court in Lindsay upon conviction of a charge of having a loaded deer rifle in an automobile. Ontario Provincial Police Const. John Mitchell said he stopped a car in which Coppins was a passenger at 2 a.m. October 31 on Highway 35 south of Lindsay.

The Kinmount Fair dates have been set for September 3-4, 1965.

A publication which is expected to be of great interest to 'Rock Hounds', that increasing segment of the public that is interested in the search for and identification of natural minerals, is now available for distribution by the Ontario Department of Mines.

## SUGAR AND SPICE

by Bill Smiley

### SOME MYTHS ABOUT CANADA

Two things combined to arouse me this week to one of my sporadic defences of Canada.

One was the fact that I have been teaching an essay by Bruce Hutchison called The Canadian Personality. It's a good essay, one which makes the kids studying it think about themselves and their country.

The other is that my kid brother arrived home the other day after four years in Europe. He's a good kid, but his misconceptions about this country are deplorable.

Hutchison, in his essay, suggests some of the characteristics common to Canadians. They are poetic, but pure poppycock.

He speaks first of the "most obvious", our "national humility." This is most obviously a figment of the author's imagination. While most Canadians will grudgingly admit that there's an occasional Limey or Yank who is not devoid of common sense, you'd have a formidable job on your hands to find half a dozen Canadians who felt humble in the presence of either.

Next, he says we are, "A conservative and steady people." Oh, yes. Yes, indeed. We are the conservative and steady people who have an election every couple of years, who swing wildly from one political party to another, who riot over a hockey game, who have families coming to blows over a flag design, who blow up mailboxes.

And, he says, our politicians reflect us in . . . their positive terror of color and flair." I guess he's right. John Diefenbaker, a politician to whom we gave the greatest majority in our history, whom we elected twice as Prime Minister, has no more color than a purple dragon breathing crimson flames.

"And we are a lonely people", says Hutchison. Well, speak for yourself, old boy. Personally, I'd prefer to be about three times as lonely as I am. You should try, sometime, getting into the bathroom at our place.

He says we are, "awed . . . by

the fierce northern climate, which colors and toughens our spirit." Awed be hanged. I went out Sunday morning. It had snowed. My picnic table looked like a pregnant hippopotamus, lying on her back. I stuck a yardstick down. Twenty-two inches, overnight. But I wasn't awed. I swore for ten minutes, and started shovelling.

The kid brother was just as wrong-headed about Canada as Hutchison. I expected some lucid comments on the Canadian scene, for someone who had been exposed to European culture for four years, the last two in Paris.

Do you know what he complained of? The fact that Europeans, who don't have any snow, to speak of, have no cuffs on their trousers, while Canadians, who wade through the stuff for five months, have cuffs.

He doesn't realize that we like it that way, that we like to walk into somebody's house, stamp our boots off in their hallway, and turn about four pounds of snow out of our cuffs onto their fresh-waxed hardwood floors. Keeps them from getting house-proud.

Do you know what he talked about? Not the impressive view from the Eiffel Tower, but the annual number of suicides who had leaped from it. Not the glories of the Louvre, but the horrors of Paris traffic.

He spoke with rapture about his meals in Paris, with scorn about Canadian cooking. And left never a morsel of the latter, even though there wasn't a single snail or a single songbird among it, on his plate.

He scoffed at Canadians' engrossment with money and status symbols. And raved interminably about his new Rover, his new hi-fi, his camera, his tape recorder, and how much he saved on them.

As far as I'm concerned, I think I'll just let Mr. Hutchison and the kid brother go on living in their dream world, while I go on being a dour, independent, ornery Canadian, without personality, color or culture. Who needs it?

## GOODERHAM

(Intended for Last Week)

The stores are beginning to take on the "Christmas look".

The children are busy practicing for the Christmas entertainments. Mrs. J. J. Hunter is in charge of the Pentecostal Sunday School, being assisted by Mr. and Mrs. Campbell.

Mr. Melvin Waite visited at Markham with his brother, Mr. Delbert Waite who accompanied him back home on Monday evening, returning the following morning to Markham.

Mrs. G. W. Barr who recently returned from Five Oaks, gave a short message on Sunday morning at the United Church and told of the wonderful Christian Fellowship Centre and the work accomplished.

Mrs. Ron Campbell sang a beautiful solo entitled, "I'd rather have Jesus than anything else" at the morning service of the Pentecostal Church.

Congratulations and best wishes to the Reeve and Councillors for the coming year 1965.

## Couple Ordered 'Cool Off' For Year By Magistrate

LINDSAY (ENS) — A man who is said to have threatened to deform his wife if she left him, was placed on suspended sentence by Magistrate Ian Munro two weeks ago Thursday.

Roland Ring of Cardiff Township, was convicted of assaulting his wife, and was ordered to be of good behavior. The magistrate also ruled that Ring was not to visit his wife for one year, or have any association with her.

He said it was obvious the couple were not getting along and he suggested that in the year "you both cool off, and maybe some form of reconciliation can be worked out".

Christine Ring, living apart from her husband for several weeks, said he visited her home Oct. 17. She said he started an argument and became quite violent when asked to leave. She claimed that her husband threw an ashtray at her and smashed a table lamp. She said she was restrained from leaving the house.

She said her husband told her he would deform her and there would not be one piece of furniture intact if she left the house.

Mr. Ring said his wife arrived home about 11 p.m. and was let out of a car by a male. "She told me she had been looking at property. I expressed the view

that it was too dark to be engaged in such activity," said Ring.

He said he accidentally knocked over the lamp as he was dodging an ashtray hurled by his wife.

Ring said the weekend following the incident his wife accepted two table lamps from him. (Peterborough Examiner)

## Brush Cutting To Feed Deer

LINDSAY (ENS) — Experimental brush cutting to provide winter "browse" for deer is being carried out by the Department of Lands and Forests.

E. T. Cox, biologist, said the cuttings are being made on an experimental basis to find out how the most browse can be provided for several years.

He said the problem with cutting large underbrush is that it provides food for the deer for only one year.

"What we're trying to find is a way of cutting the brush so it will serve the deer for several years," he said.

The cutting areas affect only about one per cent of the bush area in the Lindsay forest district.

### The Election Picture

The elections in Haliburton County are over. Every municipality held an election with the exception of Dysart Et Al where they had an acclamation.

The winners have been declared in each municipality and your elected body will now go on to carry out their duties. Being a reeve or sitting on council is no easy job. No matter what you try to do there is usually some criticism from the public. Now that the elections are over it is up to each one of us to give as much support as we can to our various councils.

Some municipalities vote on Saturdays while others vote on Monday. We wonder if Saturday is not a better day to get out a larger vote. People usually come to town on Saturday.

### Juvenile Delinquency

A great deal of publicity has been given over the past few years on the problem of Juvenile Delinquency. It would appear some research to the question would be in order.

The best definition I have found for the word delinquent is short — failing in duty. A close study of the problem must show a great responsibility rests on the parents.

Many years ago a very wise monarch had this to say to a son by his father.

My son, if thou wilt receive my words and hide my commandments with thee, so that thou incline thine ear unto wisdom and apply thy heart to understanding. Yea, if thou criest after knowledge and lift up thy voice for understanding. If thou seekest her as silver and searchest for her as hidden treasure, then shall thou understand the fear of the Lord and find the knowledge of God. For the Lord giveth wisdom, out of his mouth cometh knowledge and understanding (Proverbs 2: V. 4-6).

A more modern approach is given in the Royal Bank of Canada November report on "The Failing Student". I will quote only two pertinent paragraphs.

"It should be the duty of every parent and every teacher to so animate pupils' minds that they are always testing their talent and developing their latest abilities."

"Adults also may be failing or underachieving although their failure does not show up in marks or examination papers. If they are not coping with the children's difficulties and if they are bewildered by events without doing something positive to understand them, they are failing. They have not matched themselves with the day's needs".

It seems apparent too much responsibility of the children's upbringing is delegated to the Sunday School and the regular day school teacher. The fact remains the contact and influence in these cases are of the best — the time element leaves them quite inadequate to do a complete job.

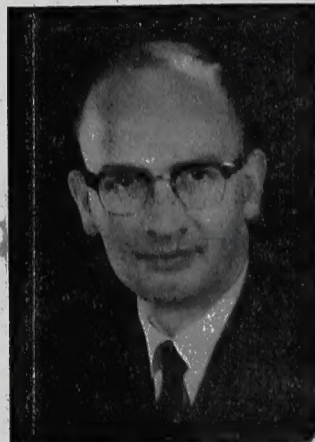

Against the six to seven hours of school and transport time, we have eight to nine waking hours for the child in the home. In too many cases they are roaming the streets.

Just what is the remedy? A child must be disciplined, if not by love in the home, by the law later. If we take the matter seriously, as we must in face of police court proceedings, we must be involved.

This is everybody's business — crime is very costly. I leave the matter with you. Give it some thought and action.

CLAYTON P. ROGERS.

### Letters to the Editor

Harcourt, Ontario.  
November 27, 1964.

Mr. Berkeley Feir, Editor,  
Haliburton County Echo,  
Haliburton, Ontario.

Dear Sir:

I was very interested in the article that appeared in your paper two weeks ago as an answer to the criticisms of the United Church's New Curriculum. In my opinion this was an admission to the charges, rather than an answer to the criticisms.

Although they denied having dismissed Genesis 1 to 11 from the Scripture, they made no positive statement of acceptance of the record of creation as recorded therein.

Again with reference to the virgin birth of Christ they claim not to have denied it but they do not hesitate to say that it is not necessary to faith in Jesus Christ. On the contrary Christ's virgin birth is basic to faith in Him. To deny or to tolerate the denial of the virgin birth is to make Jesus Christ a bastard and Mary his mother a harlot. For Scripture plainly teaches that Mary and Joseph were not married at the time of conception (Matt. 1: 18, Luke 1: 34 and 35). If Christ was born of natural generation rather than as the result of the miracle of the virgin birth as Scripture asserts (Matt. 1: 23), he was only the son of Joseph and not God manifest in the flesh. Since he claimed to be the Son of God this makes him a liar and a fraud. To believe that Christ was of such disreputable origin and character would make it impossible for me to exercise faith in him. I'm convinced, however, that this is not the case but rather that he was born by the miracle of the virgin birth and that he truly was all that he claimed to be. I cannot see how any one who is personally acquainted with Jesus Christ and has experienced a measure of his blessing in their life could possibly have fellowship with those who do not consider this doctrine to be essential.

To deny the virgin birth automatically denies the deity of the Lord Jesus. He is thus relegated to the position of any famous religious leader. Although the New Curriculum claims not to deny the deity of Christ it is very vague in its stand on this issue. Certainly it makes no declaration of acceptance of this vital doctrine.

Item three in the article of two weeks ago dealt with the New Curriculum's view of miracles. While it professes not to deny miracles it immediately proceeds to explain away the miraculous aspect of the Children of Israel crossing the Red Sea. This is simply a clever refusal to accept the situation as a miracle. My God is a God of miracles.

Finally the claim was made that the new curriculum does not attempt to discredit the Bible as the Word of God. In my perusal of the New Curriculum materials and in the supposed answer to this charge in the Nov. 26th edition of the paper, I found nothing that indicated positively that the Bible was accepted as the Word of God. While this does not necessarily mean that they deny the infallibility of Scripture it is significant that they are very vague and uncommitted in this important regard.

In conclusion I want to say that I personally have nothing against the United Church or its people. I have attended and participated in United Church services on numerous occasions and have many times enjoyed these experiences. I am, however, concerned about the dangerous trends of thought that have been set forth in this new series and I trust that those directly concerned may give these issues a great deal of deep and prayerful consideration.

Yours Sincerely,  
CHARLES H. HUGHES

### NIGHT CLASSES, 1965

Again this year there will be night school classes in the following listed subjects and they will commence on January 5 and run for twelve nights until March 23:

1. **LAW** - a survey of legal matters which relate to the citizen; contracts, mortgages, wills and estates, etc.
2. **BOOKKEEPING** - elementary record keeping.
3. **TYPEWRITING** - for those who wish to learn to type.
4. **ART** - for those who wish to paint with oils and for those who are already painting.
6. **PHOTOGRAPHY**.
7. **BADMINTON** - for both men and women. Rackets and birds will be provided by the school for those who do not have their own.
8. **FIRST AID FOR FARM ANIMALS** - There will be six nights for "First Aid For Farm Animals" and five nights for lectures on topics of general interest to farmers.
9. **HORTICULTURE AND LANDSCAPING**.
10. **SEWING** - beginners and advanced.
11. **HAIRDRESSING** - limited to twenty applicants.
12. **MILLINERY** - the design and manufacture of hats.
13. **BEGINNER'S BRIDGE** - This course is designed for those who are wanting to learn the fundamentals of bridge and is not designed to teach the finer points of bridge to advanced players.
14. **AUTO MECHANICS**.
15. **MACHINE SHOP PRACTICE**.
16. **WOOD WORKING**.
17. **DRAUGHTING AND BLUEPRINT READING**.
18. **HOUSE WIRING**.
19. **THE NEW APPROACH TO MATHEMATICS** - Instruction will be given here so that parents and other interested people may have a basic understanding of the new approach being used in mathematics at present in our elementary schools.

The enrolment fee is \$3.00 for the entire twelve weeks' course. This fee is payable on opening night, January 5. In order to make up a class, we must have fifteen applicants. In the event that there are not enough people to form a class in your first choice, we would ask you to put down some course as your second choice. If we do not get sufficient numbers, we will place you in the other course.

In order to inform the teachers whether or not there will be a class and also to enable them to obtain materials and make other organizational preparation, it is necessary that prospective students make application not later than **FRIDAY, DECEMBER 18, 1964.**

It is again proposed to have a bus come to the high school via Carnarvon and Minden. Since the bus operator's price depends upon the number he has as passengers, we would like people who want to use this bus to mark their application accordingly. If the bus operator gets forty passengers, the fee will be \$6.00 for the entire twelve nights, but if the number is fewer, then, of course, he must charge more per student.

#### NIGHT SCHOOL APPLICATION - 1965

## Stanhope Council

Minutes of Council meeting of the Township of Stanhope on December 2nd, 1964. All members present except Wilks.

Moved by Bill Johnson, seconded by Allan Sisson that the minutes of the previous meeting be adopted as read. Carried.

Moved by Bill Johnson, seconded by Allan Sisson that the Clerk write Mr. Chas. Lamb, M.P., regarding having the summer mail delivered to Buttermilk Falls, Halls Lake and Hawk Lake Post Offices rather than just to Carnarvon. Carried.

Moved by Bill Johnson, seconded by Allan Sisson that the Clerk write the Department of Highways at Downsview, Ontario, regarding the new plan of survey of Highway 35 around Saskatchewan Lake as Mr. and Mrs. Williams has laid a complaint that it will destroy their Cottage Establishment known as the Williamsville Cottages, also their lively hood will be destroyed as three cottages will have to be removed from the Lake Shore, therefore we do not approve of the survey at this point. Carried.

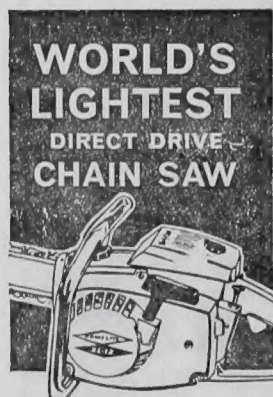

Moved by Allan Sisson, seconded by Holly Ferguson, be it resolved that as recommended by the Court of Revision that the Treasurer be allowed the rebates as set forth by the Court of Revision in the amount of \$181.22 for taxes and \$15.22 for accumulated interest, also a refund for taxes already paid by Mr. Corless and Mr. Stiver. Carried.

Moved by Allan Sisson, seconded by Bill Johnson, that we recommend that the Employees of the Township be paid on the first and fifteenth of the month. Carried.

Moved by Holly Ferguson, seconded by Allan Sisson that the accounts amounting to \$94.49, November relief \$205.25, and No. 11 Road Voucher \$846.90 be allowed for payment. Carried.

Moved by Bill Johnson, seconded by Holly Ferguson that this meeting adjourn until the fifteenth day of December, 1964 at 10 o'clock a.m. unless called sooner by the reeve. Carried.

### ST. ANTHONY'S

### ALTAR SOCIETY

The monthly meeting of St. Anthony's Altar Society took place on Friday, Dec. 4th with nine members present. A reading of the Bible followed and it was decided to do so at each meeting.

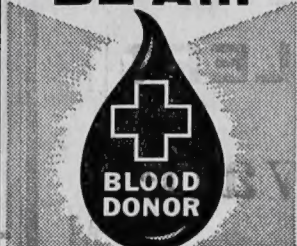

It was announced that our Spaghetti Supper was a very successful event even with the difficult weather conditions.

It was agreed upon to place some money aside for new pews for the church and Father Maloney is looking after the purchasing of these. The church will be painted on the inside before Christmas and will be followed by a cleaning bee to prepare for the Christmas season. Flowers will be purchased for the altar for Christmas.

The Christmas Party for children will be December 12 at 2 p.m. in the church basement. The mothers will bring cookies and sandwiches.

The meeting adjourned with prayer led by the President, Mrs. Mary Pearsall.

**Church News****MADRIGAL SINGERS**

This Sunday evening the Madrigal Singers will be participating in the service at the Full Gospel Lighthouse. This fine group of singers, under the direction of Mrs. N. Finney, are well known in the area. The evening will also feature a Children's Choir from the Maple Lake area which is connected with the Madrigal Singers. With the service beginning at 7:30 an enjoyable meeting is anticipated.

**SUNDAY SCHOOL CONCERT**

On Wednesday, December 16 the Annual Christmas Concert of the Full Gospel Lighthouse Sunday School will take place. Beginning at 8 p.m. the program will have a few presentations by the children. This will be interspersed with carols and followed by the showing of a film entitled "To Bala for a Babe". Then the prizes and candy will be presented to the students.

**LADIES' MISSIONARY FELLOWSHIP**

The ladies of the Full Gospel Lighthouse are conducting their monthly meeting this evening, Thursday, Dec. 10th at 8 p.m. at the home of Mrs. Frank Roberts. The evening will consist of wrapping Christmas candy and a time of fellowship. Mrs. Olive Carpenter from Ingoldsby is the speaker.

The Ladies' Missionary Fellowship has been well attended recently and are proving to be a real blessing to the Church.

**YOUNG PEOPLE'S ACTIVITY**

The Young People of the Full Gospel Lighthouse have been divided into two age groups. On Wednesday evenings at 8 p.m., the Junior High Club (grades 7 and 8) will be meeting. Then on Thursdays, the High Teen Club will meet. Both meetings will be held, usually, in the Church.

The division of the Young People is not a result of size, but of the wide age group represented and varying interests. An interesting program is afoot for each group.

**YOUTH RENDEZVOUS**

On Friday evening a large group of teenagers from Norland, Gooderham, Kinmount, West Guilford, Haliburton and Harcourt gathered at the Harcourt Community Centre for the monthly meeting of Youth Rendezvous. This is a rally conducted each month from church to church.

Last Friday, Mr. Charles Hughes conducted the meeting. Mr. Stu Wilson from West Guilford led in the Scripture quiz. This was won handily by the Haliburton Full Gospel young people.

Then the young people viewed the exciting film entitled "Seventeen". January's meeting is departing from schedule and will be held on December 30th at Medeba Bible Camp in West Guilford. Beginning at 2 p.m., the young people are invited to ski and toboggan. The day will come to a close at 6 p.m. after a quiz and refreshments.

**CARD OF THANKS**

To the ratepayers of Anson, Hindon and Minden I would like to say thank you to all those who voted in my favour at the election on Monday. Although not elected I enjoyed working with the members of the past board and felt I had something to offer in this field.

To the electors of Monmouth who have given me the opportunity to serve as Councillor through the coming year, may I express my appreciation by serving you faithfully and diligently. I would like to take this opportunity to wish one and all compliments of the season.

REG. SCHOFIELD.

**CARD OF THANKS**

I wish to express my sincere thanks to the electors of Anson, Hindon and Minden for the confidence placed in me as Councillor for the 1965 - 1966 term.

ROY E. WINDOVER.

**CARD OF THANKS**

Through the medium of your paper I desire to thank the electors of the Township of Stanhope for their support in Saturday's election. If experience means anything, and I believe it does, I should be of value at the Council board. With my elected colleagues, we will operate your business as we would our own.

THE SEASON'S GREETINGS TO ONE AND ALL

Sincerely,

CLAYTON P. ROGERS,  
Moorefield Acres, Carnarvon.

# THANKS

Once again I am humbled by the support given to me at the polls. I will do my best for you all. May I extend personal holiday greetings to all the ratepayers of Anson, Hindon and Minden.

MRS. MARGARET HOWE

I wish to make use of your column to convey my personal thanks and also of the C.N.I.B. Committee for the County, to all who gave of their time to canvass the various areas, and also to all who donated to this worthy cause. While we did not meet our objective, the effort was well worth while, somewhat over one thousand dollars has been forwarded to headquarters. The books are still open and at the holiday season any donations made to the Bank of Montreal, Haliburton or Canadian Imperial Bank of Commerce, Minden, will be accepted. The annual meeting will be held quite early in the New Year when all accounts will be closed out. Accept my best wishes for the Christmas Season to one and all.

Sincerely,  
CLAYTON P. ROGERS,  
Chairman Campaign C.N.I.B.

## IN MEMORIAM

**MACDONALD** — In loving memory of a dear husband and father, Wesley MacDonald, who passed away December 12, 1932. He little thought when leaving home,

He would no more return;  
That he in death so soon would sleep,  
And leave us here to mourn.  
We do not know what pain he bore,

We did not see him die;  
We only know he passed away,  
And never said good-bye.  
— Lovingly remembered by his wife and son William MacDonald.

**MACDONALD** — In loving memory of a dear father and grandfather, Wesley MacDonald, who passed away December 12, 1932.

When evening shades are falling,  
And we sit in quiet alone;  
To our hearts come a longing,  
If Dad only could come home.

Friends may think we have forgotten,  
When at times they see us smile;

But they little know the heart-ache,  
Our smiles hide all the while.  
So you who have a father,  
Give him all your love and care

For you will never know such heartache,  
Until you see his vacant chair.

— Lovingly remembered by his daughter Ollie, son-in-law Percy and grandson Peter Lymburner.

### HALIBURTON - VICTORIA NORTH DEANERY MEETING

A meeting of the Presidents of the Haliburton - Victoria North Deanery of the Anglican Women's Association was held at the home of Mrs. Mendal Smith, on November 19. The weather showed a blatant disregard for Deanery executive meetings, being held in the area, which resulted in just five officers being present.

Mrs. Smith opened the meeting with a Scripture reading, followed by our W.A. prayer and The Lord's Prayer.

A report was given on the jaunt to Toronto to the Annual Presidents' meeting on October 21. Four Deanery officers attended: Mrs. Mendal Smith, President; Mrs. George Thayer, Social Secretary; Mrs. Lloyd Coneybeare, Little Helpers' Secretary; and Mrs. Gary Welch, Secretary-Treasurer. A meeting will be held in the spring to make arrangements for the Annual Deanery. Once every five years the Haliburton - Victoria North and South Deaneries combine for their Annual.

Mrs. Smith read an interesting article from the October issue of the Living Message, on the "Church Year", and anyone wishing to read the article for themselves could borrow a copy from a W.A. member.

A letter was received from the Deanery of Durham - Northumberland. These ladies are very concerned that there is no Home for the Aged or infirm in this Arch-Deanery. They feel

we should be doing a more practical or positive Social Service work such as building and supporting a Home or camp for crippled children. A short discussion followed and we decided to bring the matter up at the joint meeting in the spring.

Mrs. Coneybeare reported on the proposed change of The Little Helpers' name to The Family Life Dept. It takes in the children not baptized up to the older children and parents.

There were seventy communicants at the St. Andrew's Day Service held at St. George's Church the evening of November 30th. After the communion service, Mrs. G. E. Hobson and Mrs. Robert Vandenbosche from the Social Service Dept., Toronto, showed a film and gave a short talk on Pakistan. Ladies from Gelert, Boskung, Maple Lake, Wilberforce, West Guilford, Haliburton, etc. attended. Afterward, the ladies were invited to the Church basement to see a display of the beautiful Pakistani embroideries and partake of the delicious lunch the Afternoon and Evening Branches of St. George's had prepared.

### Full Gospel Lighthouse Scene Of Bellwood - Carpenter Wedding

The Full Gospel Lighthouse, Haliburton, was the scene of a pretty fall wedding on Saturday, November 14th, 1964 at 3 p.m. when Fern Lorene, youngest daughter of Mr. and Mrs. F. Edward Carpenter of Ingoldsby, became the bride of Roger Lloyd, eldest son of Mr. and Mrs. Claude Bellwood of Fenelon Falls.

The Church was decorated with white and yellow mums.

The soloist, Mr. Gordon Attrell, uncle of the groom, sang "I'll Walk Beside You" just before the marriage ceremony, and "The Wedding Prayer" during the signing of the register.

The double ring ceremony was conducted at the altar by Rev. Noel McNeill of Haliburton.

Entering on the arm of her father to the Wedding March played by Mr. Dan Davison of Lochlin, the bride was elegant in her three tier floor-length gown of imported Swiss embroidery organza, enhanced with a sabbine neckline and tiny sleeves, accented with lily-point gauntlets. Her tulle petalled headdress, centred with lilacs and lily of the valley, was caught to a silk illusion finger-tip veil worn delicately over the face. She carried a bouquet of American beauty roses and miniature gardenias with lily of the valley and fern, bowed and ribboned with neat satin streamers.

The matron of honour was Mrs. Wanda Robinson, sister of the bride, and the bridesmaids were Marilyn Rennie and Marilyn Paul, cousins of the bride.

The matron of honour and the two bridesmaids were gown-ed identically alike in romance blue of nylon sheer over rayon taffeta, with bodice of nylon and acetate lace along with white accessories. They each carried a bouquet of blue, yellow and bronze flowers, bowed with white ribbon.

The little flower girl, Valerie Robinson, niece of the bride, looked very sweet gown-ed in yellow nylon trimmed with white lace. She wore white accessories and carried a basket of assorted blue, yellow and bronze flowers and lily of the valley.

The best man was R. Peter Robinson, cousin of the groom. The ushers were Douglas Carpenter, brother of the bride, and Bev. Attrell, cousin of the groom.

The bride's mother wore a gold silk brocade jacket dress with gold and black accessories. Her corsage was a light blue and pink rose. The groom's mother wore a beige silk brocade dress with dark accessories. Her corsage was a dark pink rose.

After the wedding ceremony the bride and groom, along with about fifty guests, sat down to a delightful turkey dinner in the beautiful dining room of Hallmar Lodge, Haliburton.

Wedding guests were from Ottawa, Chatham, Arthur, Toronto, Oshawa, St. Thomas, Fenelon Falls, Lindsay and Cameron, as well as the nearby localities.

Following the dinner, the bride and groom left on a honeymoon to Niagara Falls and Buffalo. She chose for going away a brown tweed suit with beige accessories. Her corsage was a pink carnation with lily of the valley. On their return the newlyweds will reside in Fenelon Falls. Our good wishes go with them.

Prior to her marriage, the bride was honoured with four showers; one by the ladies of the Full Gospel Lighthouse, Haliburton, one by the staff of the Canadian Imperial Bank of Commerce, Minden, one by the Ingoldsby friends and neighbours, and a shower by the Fenelon Falls friends. She received many useful gifts.

A few days previous to the wedding a lovely turkey dinner was given for the bride and groom to be at Lorelea Lodge. Here they were presented with an electric pole lamp as a wedding gift, given to them from the Minden Bank staff where the bride has worked for 3½ years.

A trousseau tea was also given for the bride to be a week before her marriage at the home of her parents, Mr. and Mrs. F. Edward Carpenter.

Mr. and Mrs. George H. Brennan (right), with Mr. Brennan's younger brother, Mr. W. C. Brennan.

## Canadian Visited Coventry After 41 Years' Absence

Mr. and Mrs. George H. Brennan were recent visitors in Coventry, England, for three weeks on holiday from Canada. While there they renewed acquaintance with Mr. Brennan's boyhood friends and with the city he has not seen for 41 years.

For Mr. Brennan, it has meant the first reunion since leaving Coventry in 1923, with his three cousins, the daughters of the late Mr. S. G. Poole, who was well known in the city for his work on the City Council for 20 years. Mr. Brennan lived with the family at 15 Lydgate Road, Radford.

Mr. and Mrs. Brennan stayed with Mr. Brennan's younger brother and his wife, Mr. and Mrs. W. C. Brennan at Whitmore, Binley Road, Coventry.

They spent their time visiting places which were familiar

to Mr. Brennan as a boy.

### SURPRISE AT RADFORD

Mr. Brennan was amazed by the spread of Coventry, and the redevelopment in the city centre. He recognized some of the old corners, which he has visited with his brother, but was lost in Broadgate.

He went to Radford, and got his biggest surprise there to find that houses had replaced the open fields he knew as a boy.

Mr. Brennan said he would be pleased to hear from any of his old school friends who may remember him. He was educated at schools at Radford and Allesley.

He can retrace a colourful career, which started when he took his first job as an errand boy in Coventry. Since, he has

been a professional soldier, carpenter, professional magician, and latterly, a leather craftsman.

Mr. Brennan retired in June, but hopes to continue working in leather to keep him occupied.

He and his wife have returned to Haliburton, 140 miles north of Toronto. They have a 36 year old married son, Colin Poole Brennan, and a 24 year old daughter, Mrs. Carolyn Trenton, both living in Canada.

## Rotary News

The Haliburton Rotary Club held its weekly luncheon at the United Church on Thursday night last. The club had another 100% meeting for the second week in a row. Regular attendance is getting to be a good habit with the Haliburton Rotarians.

Four guests were present, namely Pat Hucul, Bob Herlihey, Reg Booth and Bob Sater.

Secretary Jack Robertson read a letter from Ottawa re the 'Adventure in Citizenship', and Bob Herlihey, teacher at the local high school, gave us an insight into this matter of sending a student to Ottawa.

The secretary also read out an invitation from the Fenelon Falls Rotary Club inviting the Haliburton Rotarians to the Fenelon Falls Rotary Club bonspiel to be held on Wednesday, January 13th.

Rotarian Ron Curry announced the winners of the Skyline Park Colour Photo Contest which was sponsored by the Rotary Club, stating that 70 entries were received.

Ken Langdon, chairman of the Christmas tree committee, reported that the trees have been cut and are now on sale.

President Don Iles read the District Governor's monthly letter which showed Haliburton once again in first place for November attendance.

The program for the evening was conducted by Noel McNeil. It was in the form of a quiz on Rotary questions having to deal with Rotary International and the local club.

The Rotary Christmas Party is set for December 19th. Tickets are \$2.50 per person. Each Rotary couple will be allowed to invite one other couple and no more.

important of your lives — most difficult, most interesting and most enjoyable. The decisions you make will have a tremendous effect on everything that will happen to you from now on. Make a decision to make the best of the few years immediately ahead of you. Remember that from now on the responsibility for your decisions is primarily yours."

"It is imperative to establish, and aim for priorities. The most important priority, and that which is essential, is to do the best you can in your studies. Arrange your life so that you do not neglect other interests and delights in life, such as music or sports."  
"Good citizenship does accompany good education. It will be people like you who will lead our society to take this kind of responsibility. It is not easy to be good citizens with all the temptations. We ought to be prepared to follow the paths of great religious and philosophic leaders such as Socrates who was condemned to death for asking such questions as 'What do you read and how do you know?'"

Dr. Miller was thanked by Mr. James Meade of the teaching staff. Johnston Bailey expressed the thanks of the honour students. Mr. Robertson Herlihey, Chairman of the banquet, ended the evening's activities by thanking Dr. Miller and all those who participated in the programme.

The honour students for the Session 1963-64 were as follows:

# HALIBURTON NEWS LETTER . . .

The Haliburton United Church held their annual Christmas Concert on Monday evening. An event such as this never seems to lose its attraction for young and old. This was very evident as despite other attractions, the church auditorium was packed for the occasion. The minister, the Rev. George Petrie, was chairman and kept the programme moving right along.

No one except those involved have any idea of the amount of time and patience required to train the many young performers in playing their parts in a Christmas concert. To Bill Glendon, who spent many hours arranging the concert and providing the musical accompaniment for same and his loyal staff of assistants, must go a great deal of credit. Those who have been

attending these concerts for years were of the opinion that the music and singing were far above normal. Of course one of the chief actors was Santa Claus whose performance left nothing to be desired providing all present with mirthful enjoyment.

The Dept. of Transport (Trent Canal Division) have rented a suite of offices in the Lakehome Building with Mr. Harold Kirkpatrick, who is Dam Overseer in this area, in charge.

Every day we see water being drawn from our lake owing to the lack of this precious commodity in this village. The low level of Head Lake and the ever increasing amount of septic tanks

and tile beds render these lake waters more susceptible than ever to pollution. About three years ago a public meeting was held in Haliburton to discuss the sewage situation. Some 78 citizens were in attendance and only two of those present spoke against the installation of a sewage plant. So it would appear that in this case, though 76 persons were of the opinion something should be done, two people called the tune and no action was taken.

The Dominion Government has offered to underwrite 25% of the cost of any sewage project installed before the end of year 1965. Are we going to wait until this offer expires and pay thousands of extra dollars when we are forced to install this much needed service.
